More Cement Walks This Year

City Holds Agricultural Grounds In Trust. Accounts Passed. Advertising Proposition Submitted. Court of Revision June 29th.

The regular meeting of the city fathers was held in the council chamber on Tuesday evening with all members present except Ald. Wallace and Gross.

After the adoption of the minutes of the previous meeting a letter was read from Supt. Walker of the C.P.R., acknowledging receipt of the petition to have the road extended north of the mill, stating that the same would have his consideration upon his next visit to the city. Let was ordered filed.

F. J. B. Morris applied for two weeks' leave of absence, commencing on June 15. This was granted on motion of Gothard-Compton.

Borgeman Bros., wrote confirming their quotations for the painting of the water tower and smoke stacks. The price is \$95.00 for the water tower, with 10 per cent off if the smoke stacks are painted at the same time, and \$58.00 for the smoke stacks with a discount of 10 per cent if the tower is painted at the same time. MacEachern-Compton—that the tender of Borgeman Bros. be accepted and that Engineer Crane superintend the work at the tower and Supt. Watson oversee the work on the smoke stacks. Carried.

The finance committee recommended the adoption of the auditor's report.

The committee also recommended that no increase in wages be given to Mr. Abbott, but on this matter the council was not unanimous. Ald. Gothard and Compton being in favor of the increase, and Ald. MacEachern, Cutler and Hilt opposing. The report was adopted.

The monthly accounts were passed for payment.

The public works committee recommended that the claim of Mr. Liveridge for damages to his house during the recent rain be not granted.

As Mr. Liveridge was not given an opportunity to address the meeting of the committee, the matter was referred back for re-consideration.

The public works committee recommended that the opening up of Gould street from Stoughton avenue south be held over until the winter months. Adopted.

The public works committee recommended that a concrete sidewalk be laid on Railway street east from Pearce street to Monk street, and that the work be proceeded with at once. Adopted.

The public works committee also recommended that the intention of the council to construct a cement walk on Alberta street from Pearce to Lansdowne streets, be advertised in the usual manner, as the walk at the present time is not in a safe condition. Adopted.

Gothard-Compton—that the matter of the charge of constructing a cement walk be laid, be referred to the public works committee.

The public works committee recommended certain conditions to be complied with in connection with the erection of the fire wall being built by the Commonwealth Trust Co. After a brief consideration, this was referred to the committee.

Johnson & Matatal complained of a discrepancy in their electric light account. After consideration, it was decided that the account be correct, and the committee was requested to bring in a revised schedule regulating the meters in the city.

Ald. MacEachern gave notice of revision of the city charter at the next meeting being in a by-law regulating brokers in the city.

Monday, June 29th was decided upon as the day for holding the court of revision.

Meeting adjourned.

Chief Sampson and a select band of his braves from the Hobbs reserve will be in the city on Wednesday for the express purpose of going to the Pantages theatre. The arrangement expressed by Bobbie Burns in his recent "Ourself as others see us," is not strictly confined to the white man. Chief Sampson and his chosen band have the same desire, and it is to satisfy it that they are coming to Edmonton. Moving pictures of their taken by Manager Still are being shown at a few weeks ago on the theatre and an invitation has been extended to the Indians to come and see themselves. The theatre is paying all their expenses in coming to the city.—Bulletin.

PUBLIC MEETING TO CONSIDER SCHOOL HEATING

A new heating system for the Alexandra School is to be installed ready for the opening of the Fall term. This step is absolutely necessary on account of the condition of the old furnaces which are badly burned out and beyond repair, as well as being unable to force warm air to the floor which is now being used for school rooms.

The new system will be entirely modern and up to the mark in every way. Steam will be the heating agency, with fresh air for ventilation. Tenders have been called and a contract completed for the installation of the new system on or before September 1, next.

A public meeting is called for Monday evening, June 1, in the city hall to discuss the matter and give information that may be of aid to the ratepayers who do not understand the step about to be taken and desire to discuss the same and be present at this meeting.

MRS. E. W. DAY SUCCUMBS

One of Edmonton's much respected women died on Monday in the person of Mrs. E. W. Day, daughter of the late John Sutcliffe, of Co. 4, 2nd Regt. of the 1st W. P. Day, formerly of Deland, Mrs. Day was in her 51st year.

Mrs. Day came to the west more than 25 years ago as a bride, taking up her residence in Winnipeg, and many who knew her there will remember her kindly nature. The day home was always thrown open with a welcome to all, and many of the earlier settlers of this section have received kindly advice under the Day roof. Mrs. Day came to Edmonton in 1904, and resided in this city, Toronto and Winnipeg. Mr. E. W. Day was the founder of Deland.

In addition to her bereaved husband, she leaves to mourn her loss, two daughters, and two sons. Mrs. Rooney of Edmonton, and Miss Lane, George and Master Ted. The funeral will be held on Wednesday—Journal.

Oil Company Formed Here

Charter Is Being Applied for, and a Proposition will Be Submitted to the Council to Procure the Oil Leases Now Held by the City.

A preliminary meeting of a number of gentlemen including some of the principal citizens of Wetaskiwin was held in the Business College, Wetaskiwin, last Friday afternoon to arrange for the formation of a development company to prospect for oil in the Wetaskiwin district. A proposition was made to the effect that the city of Wetaskiwin should acquire all the oil leases now held by the city, and that the company be in possession of Mr. E. Day, Edmondson, Dr. Robertson, and Messrs. Rosenfeld, Dickson, and J. S. Watt, of Wetaskiwin, who was authorized to incorporate a company. We understand that the whole available shares have been offered for sale, and that the company is in progress of incorporation. The committee on Saturday last secured oil leases on sections of land to the west of Wetaskiwin and they intend to hold an event of the city being found to have oil rights in the Township in which

PUBLIC NOTICE.

By the Board of Trustees of the Wetaskiwin School District 24 of the Province of Alberta.

Whereas it is deemed expedient by the Board of Trustees of the Wetaskiwin S. D. No. 24 of the Province of Alberta that the sum of eight thousand five hundred dollars should be borrowed on the security of the said District by the issue of debentures payable to the bearer in twenty equal consecutive annual instalments with interest at the rate of not more than eight per centum per annum, for the following purposes, namely:

For the purpose of installing a heating and ventilating system in the Alexandra school, Wetaskiwin. THEREFORE notice is hereby given by the Board of said District that unless a portion of the ratepayers of the said District or against the said Debenture loan is demanded as provided by the School Ordinance, the said Board will apply to the Minister of Education for authority to borrow the said sum by debentures. Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

J. F. FOWLER, Chairman.
Dated at Wetaskiwin this 25th day of May, 1914.

A. Milne, secretary of the Edmonton Industrial Association wrote concerning matters of the league and wished the council to re-consider their decision declining to assist a number of the league and to assist in the work. MacEachern-Compton—that letter be filed.

W. H. Odell, city solicitor, gave a concise report in connection with the ownership of the agricultural ground. He had searched the records of the land titles office, and found that the title to the agricultural ground stands in the City of Wetaskiwin and clear of all encumbrances. After a general discussion, the report was received and filed on motion of Compton-Gothard.

A petition for sewer and water-in blocks three and six, Parkway addition, was received. As there were not sufficient signatures it was requested that the necessary steps be taken to advertise the intention of the council to proceed with the work. MacEachern-Compton—that the petition be referred to the water and sewer committee, and that the necessary steps be taken to advertise. Carried.

B. E. Chandler, secretary of the public school board, petitioned the council for a five foot cement sidewalk on McDonald street, along the school property. This was referred to the public works committee.

Mr. Brock, representing the Western Canada Advertisers Limited, outlined a scheme of advertising the company were arranging, which provided for the advertising of each town and city in the province in the U.S.A. by means of moving pictures and lectures, also distributing literature. They would also furnish a list of 1,000 names a month. The expense to the city would be \$60.00 a month. On motion of MacEachern-Compton the matter was referred to the finance committee.

Ald. MacEachern, on behalf of the electric light committee, reported that he had ordered 20 55 foot poles from the Revelstoke Mill Company, and these would be on hand in a few days.

Wholesalers Defeat Wetaskiwin

Visitors Take Both Games from Locals, Who are Outclassed. Garbutt B. C. Defeat Edmonton Juniors. Local League Games Create Great Interest.

Two baseball games were played on the diamond here in Victoria Day when the Wholesalers of Edmonton, came down for a double header with the local team. Both games were very one-sided, the visitors being the home aggregation in every respect. This is largely accounted for by the fact that at least four of the best regulars were out for the day. For the day, Wetaskiwin pitched a nice game for Wetaskiwin in the afternoon, but he was given very poor support. Unfortunately, Donnelly was suffering with rheumatism in the arm and it was impossible for him to get the ball down to second. The particular feature of the afternoon game was Cliff's catch at a fast one in left field after a hard run. The following is the box score:

WHOLESALEERS	
Huber, 3b, c	4 2 3 0 1
O'Leagain, 1b	2 0 0 0 0

WETASKIWIN'S ONLY VICTORY
Wetaskiwin boys played against a local baseball team at Victoria Day but the Garbutt B. C. Business College Juniors were the only ones to claim victory. Early in the day a team representing the Wetaskiwin Business College Juniors arrived in the city to play a skirmish with one of the Sunday School teams here. The Business College boys gathered all the available players and playing eight innings piled up a score of eight runs to seven on the final score. The team for the College made a home run on a long hit and this was the feature of the game.

GARBUTT B. C. VS. BANKERS
The second game of the City League was played on Thursday evening of last week before a large crowd of spectators and resulted in a win for the Bankers 6 to 4. Both teams showed a great deal of practice and in consequence did not put up as good a game as they no doubt will in the future.

The features of the game were a catch of a foul fly by McGee, when he had to run through to get it and the sixth inning when the boys of the college, when but for some home base running, they would have tied the score.

Following is the box score:

Town Topics

Monday last was quietly observed here. The only attraction were the baseball games and several private picnic parties.

The many friends of Mr. and Mrs. Joe Scott regret to learn that their oldest daughter has been seriously ill with pneumonia. At time of writing she is convalescing nicely.

Another carload of Fords was unloaded last week for Greener Bros and Reynolds. We understand that several of these cars have been disposed of to people in the district.

Alex Asp of Falun underwent an operation for a very severe attack of appendicitis at the hospital today. His host of friends are pleased to know that he is now doing as well as can be expected.

Town Topics

C. R. McKay, of the Merchants'

Bank staff, Delbourne, spent the

week end with friends in the city.

Quotations received by wire every

day on the leading oil shares. See

our window.—Edw. H. O'Brien.

Miss Bernard, of Edmonton, is

in the city during the week, vis-

iting her sister, Mrs. F. W. Tracy.

Oil shares the best investment in

Alberta today. See my ad. on front

page.—Edw. H. O'Brien.

Miss Ida Palmer was taken down

on Sunday with an attack of ap-

pendicitis, but she is now recovering

quite satisfactorily.

Tom Ward left on Monday for the

Pacific River district, where he will

inspect different localities with a

view to making investments.

Geo. Francis, who is now conduct-

ing a harness repair at Alex's, was

in the city during the week, with

his family, and transacting business.

An ice cream social is being held

at the Weller school house, three miles

east of Wetaskiwin on June 3, com-

mencing at 5 o'clock. All are cor-

dially invited.

Mrs. T. J. McNeil and son, of

Clinton, Ont., arrived in the city on

Saturday last to spend several weeks

visiting at the home of her sister,

Mrs. V. C. French.

C. Smith, of the Grand Hotel made

a business trip to Edmonton on Wed-

nesday. Among other matters, he

interviewed the brewer, and as a

result will likely have an important

announcement to make next week.

Inspector Nelson still has left a

few copies of the programme of the

coming summer season for teachers

at the provincial university. Any

teacher, interested in this, as well

as, may have one of these upon applica-

tion, while the supply lasts.

F. L. Talbot, who returned to the

city on Tuesday morning from a

visit to relatives at Pigeon Lake,

states that a small cyclone came

down only a few rods from the resi-

dence of G. B. Atkins at about 3.30

on Monday afternoon. Several large

trees were uprooted or broken, and

thrown in all directions, while a

heavy foot rowboat was picked up

and carried about forty yards, and

was thrown to the ground with a

force that it was smashed to match-

wood. After going a short distance

The Churches

ZION CHURCH.

The Sacrament of Holy Communion will be administered next Sunday, Confessional services at 10.15. The Festival services at 10.45. English services on Pentecost at 7.45 p.m.

Immediately after the morning services on June 7, an important meeting of the congregation will be held.

KNOX CHURCH

The Rev. D. C. Ramsey, M.A., of Canmore, will be in charge of the services in Knox church next Sunday, May 31. Rev. Potock, B.A., going to Canmore for the day.

Communion service at 11 a.m. on Sunday, June 7, in Knox church.

The regular monthly meeting of the Y.W.C.T.U. will be held in the school room of the Methodist church on Tuesday evening, June 3rd, at eight o'clock. This will be the last meeting of the season and all members are particularly requested to be present.

Mrs. F. L. Talbot and family went to Pigeon Lake on Saturday last, where they will spend a month with Mrs. Talbot's parents.

The Ladies' Auxiliary of Immanuel church will hold a rummage sale near the corner of Peace and Railway streets east, on Saturday of this week, May 30.

At the Methodist conference for the Wetaskiwin district on Friday of last week it was decided on account of the growth of the church to divide the district into two with Bawlf as the dividing line. There were about twenty pastors and lay delegates present. The report showed an increase of 228 members in the district.

The summer C.P.R. schedule comes into effect on Sunday night next. It is not definitely known what changes are to be made, but it is understood that the Hardisty local will run right through to Edmonton, in the morning, returning in the afternoon. The Calgary trains will run at slightly different hours, and will make better time.

The Wetaskiwin horses got into the money class at the Edmonton race which commenced on Saturday last. C. Vendell's Concorraft was a second in the 51 furlongs on Saturday. Geo. L. Owen's Camero came fifth in J. E. O'Brien's heat of six, sixth place in the six furlongs the same day. Bart won the mile on Monday in the remarks is time of 1:44. Her Cough Racked Her Terribly.

DR. WOOD'S NORWAY PINE SYRUP
Effected A Cure.

Obstinate coughs and colds yield to the grateful, soothing and healing power of Dr. Wood's Norway Pine Syrup, and for the racking, persistent cough, often present in consumptive cases, it will be found exceedingly beneficial and pleasant to take. The use of it is generally indicated wherever symptoms of throat or lung troubles appear, but especially so with all persons of a consumptive or catarrhal tendency, as it promptly curative properties speedily remove the danger, and restore the throat and lungs to a sound healthy state in time.

Mrs. Edward Patterson, Young's Cove Road, N.B., writes:—"I have had occasion to use Dr. Wood's Norway Pine Syrup, and can say that it is certainly a good medicine. About a year ago I contracted a severe cold which settled on my lungs, and left them in a very weak state. The cough racked me terribly, and I was in despair until a friend advised me to give Dr. Wood's Norway Pine Syrup a trial. I got a bottle, and before I had it half gone I found relief. I used two bottles, and have never been bothered since. I would not be without it in the house."

Stop 19 out of 20 Colds

H. L. Higgs, druggist is now able to supply Weeks' Break-up-a-Cold Tablets, the remedy which has the remarkable record of checking 19 out of every 20 common colds.

This remedy is a clever combination of positive, quick-acting ingredients and it is a SURE relief for all colds, for "Grippe" and for those headaches produced by congestion due to colds. Weeks' Break-up-a-Cold Tablets are easy to take and it is a good idea to have a box handy and take a dose right when a cold starts in. It is needless to warn intelligent people not to accept substitutes. Insist on the genuine Weeks' Break-up-a-Cold Tablets. Twenty-five cents.

THE BRAVEST BATTLE

The bravest battle that ever was fought! Shall I tell you where and when? On the maps of the world you'll find it not, 'Twas fought by the mothers of men.

Nay, not with cannon or battle shot With sword or noblest spear! Nay, not with eloquent word or thought From mouths of wonderful men.

But deep in a wall'd-up woman's heart, A woman that would not yield, But bravely, silently bore her part—Lo! there is that battle field.

No marshalling troop, no bivouac camp, No banner to gleam and wave; But, oh! these battles, they last so long, From babyhood to the grave.

Yet, faithful still as a bridge of life she stands in her wall'd-up town, Fights on and on in the endless wars That silent, unseen, goes down.

ye with banners and battle shot, And soldiers to shout praise, Tell you the kindest victories fought, Are fought in these silent wars, spotless woman in a world of shame!

With gladland and sin't seen, Go back to God as white as you came. The kindest warrior born. —Joachim Miller.

DELEGATION WAITS ON ATTORNEY GENERAL

The Rev. C. H. Huettis, secretary of the Lord's Day Alliance for Alberta and British Columbia, and the Rev. Dr. McQueen, interviewed Mr. C. W. Cross, attorney general, this week with reference to the question of Sabbath observance in the province, and more particularly with reference to the signed petitions prepared by the Retailers' Association of Alberta, asking for permission to sell tea cream, soft drinks, and other things on Sundays. Resolutions have been sent to the department from various organizations, church boards and sessions, asking that the demand of the retailers be not granted.

Mr. Cross told Mr. Huettis and Dr. McQueen that the retailers had come to the wrong place, that it was merely his province to enforce the law, that the law was initiated at Ottawa, and that the retailers should go to Ottawa if changes were being asked.

Mr. Huettis and Dr. McQueen also interviewed Commissioner Booth with regard to the enforcement of the Lord's Day Act in Edmonton.

No complaints have been sent in by the Edmonton police for weeks, said Dr. McQueen, "although stores are running wide open on Sundays, and others are opening up."

Commissioner Booth had a very busy idea of the act, but Mr. Huettis promised to send him a copy of it, and he has promised to see that the matter is attended to in the future, and that the proper reports are forwarded to the attorney general's department.

Couldn't Do Housework
HEART WAS SO BAD.

Mrs. Thomas Melville, Saltcoats, Sask., writes: "I thought it my duty to write and tell you how much your Miller's Heart and Nerve Pills did for me. My heart was so bad I could not sleep at night, and I was doing my own work at home. I had two small children depending on me besides three men to cook for, and it worried me to not be able to do my thing. My husband had taken some of your pills, some years ago, and limited on me trying them, so I started, and before I had taken them two weeks I was considerably better, and before I had taken two boxes I was doing my own work again. Anyone suffering from heart or nerve trouble of any kind should just give your pills a trial. If anyone cares to write to me I will gladly give them all the information I know concerning your wonderful medicine."

Miller's Heart and Nerve Pills are sold, per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Judicial Sale

OF FARM PROPERTY

Pursuant to the judgment and final order for sale, there will be offered for sale with the approbation of the Master in Chambers, by George L. Owen, Auctioneer, at his auction rooms in the City of Wetaskiwin, at 2 p.m. on Saturday, the 4th day of June, A.D. 1914:

The South East Quarter of Section Twenty-two (22), Township Forty-five (45), Range Twenty-three (23), West of the Fourth Meridian, in the Province of Alberta, containing 150 acres more or less, excepting about 15 acres which have been taken by the Canadian Pacific Railway Company for right-of-way. The Plaintiff is informed of the following particulars:

About 80 acres consist of upland, the remaining 70 being low-lying, while of the upland acreage about 50 acres are open, 35 of which were under cultivation during 1913; 110 acres are under brush (poplar, willow and spruce). The lands are fenced on the South, East and West sides with two wires, while there is a dug well capable of yielding a fair supply of water.

The buildings with their approximate dimensions are:
2 story frame house, shingle roof, with one story addition 24x18 feet.
1 log stable, board roof, 18x24 feet.
1 log granary, board roof, 16x13 feet.
1 log and frame granary, slab roof 12 x 21 feet.

The said lands are situated about two miles from Gwynne where there is a railway station and post office, while Wetaskiwin some six miles distant, is a market town, with a creamery.

The property will be offered for sale subject to a reserved bid, and subject to the reservations and conditions contained in the grant from the Crown, or in the existing Certificate of Title. The purchaser is to pay 10 per cent of his bid to the Vendor or its Solicitor at the time of the sale. The balance of the purchase money to be paid into Court as follows: Within Sixty (60) days without interest and upon payment of the said balance the purchaser shall be entitled to a transfer or vesting order, and to be let into possession.

In all other respects the terms and conditions of sale will be the standing conditions of the Supreme Court of Alberta, as approved by the Master.

Further particulars can be had from Messrs McDonald & Tighs, Imperial Bank of Canada, Edmonton, Solicitors for the Vendor.

Dated at Edmonton, the 5th day of May, A.D. 1914.

ALEX TAYLOR,
Clerk of the Supreme Court.

Nothing Helped Her Until She Tried "Fruit-a-lives"

CAMPBELLVILLE, ONT., May 25th, 1913.
"I cannot speak too highly of 'Fruit-a-lives'. For over thirty years, I have suffered from Chronic Neuralgia and Constipation, experiencing agonizing pain in my head and back. I took bottle after bottle of medicine without relief. The doctor told me I would not get better but 'Fruit-a-lives' proved that the doctor was wrong, by giving me quick relief and finally and completely curing me.
I would not have my present health if it was not for 'Fruit-a-lives' and I am glad of the opportunity of giving you this letter about such a splendid remedy as 'Fruit-a-lives', for the guidance of other women who may be similarly afflicted."

Mrs. NATHAN DUNN.
"Fruit-a-lives" is the only medicine made from fruit juices and is particularly suited to women because of its mild action and pleasant taste.
"Fruit-a-lives" is sold by all dealers at one box, 5 for \$1.50, trial size, 25c, or may be obtained from Fruit-a-lives Limited, Ottawa.

CAMROSE

(From The Canadian)

Herb Ross, son of Jas. Ross, of Edmonton, is recovering from an operation performed at the Camrose hospital.

C. G. Cornville will be in Edmonton writing on the intermediate law examinations.

P. P. Downing & Son shipped several carloads of hops to Edmonton last week.
It is reported on good authority that the Grand Trunk will be running a through train from Edmonton to Calgary not later than June 7th. As far as can be learned the south bound train will pass through Camrose daily at 11:30 o'clock p.m., and the northbound at about four o'clock in the afternoon.

One hundred years ago on May 17 the first constitution of Norway was drawn up and signed. In honor of that event the Norwegians in the Camrose district joined in the celebration arranged for on Monday at the Camrose Lutheran College. In the afternoon a program was held entirely in the Norwegian language, and this was followed by a Norwegian dinner which was most heartily enjoyed by a large gathering of descendants of Norway.

Let all our friends, competitors and rivals take due notice that Wednesday, the first day of July, has been set aside for a big Camrose celebration. In previous years Camrose has made no special effort to commemorate the Dominion's natal day, largely on account of neighboring towns claiming to do so, but this year the loyalty of our Canadian citizens has exerted itself, and there will be a big sports day held on that date.

THE IMPORTANCE OF THE REMOVAL OF MALE BIRDS AFTER THE BREEDING SEASON.
Eggs which have been fertilized constitute the greatest proportion of the inferior stock, which, even when proven unfit for food, is not necessary that these shall be retained for a time under a broody hen, a temperature of seventy degrees being, in itself, sufficient to cause the germ to commence to grow. If the hen to commence the development of the chick will continue, but if it is not, it is interrupted, and the chick at once dies and the egg becomes bad. On the other hand, infertile eggs which are free from the germ will, if do not, under ordinary circumstances, deteriorate seriously.

Few farmers seem to realize this fact, and consequently very few make any effort to insure fertility. The impression prevails among many that the presence of the male bird in the flock is essential to the production of a maximum number of eggs. This assumption has been proven, time and again, to be absolutely unfounded.

Farmers and others selling eggs for market are recommended to either dispose of the male birds after the breeding season. As a result of their remaining with the flock after June 1, Canadian farmers lose each year at least a million dollars, through the presence of partially incubated eggs in the produce which is marketed. The fact that the "bird" trade in Canada now offers the opportunity of from one to five cents per dozen, for non-fertilized eggs, suggests an excellent financial speculation which but few can afford to overlook.

EDMONTON STEAMER STRIKES ROCK WITH 350 PASSENGERS ON BOARD

En route to Fort Saskatchewan on Monday morning with 350 excursionists on board the steamer City of Edmonton struck a rock in mid-stream of the Saskatchewan river about 15 miles below the city. The passengers were safely landed, the captain steering at once for the shore. The steamer was mired to a tree, the gang plank was run out, and the crowd of people, many of them not knowing way, walked ashore.
After the leakage had caused the steamer to sink to the bottom of the shallow stream, the passengers returned to the upper deck and danced or roamed along the shore, whistling away the time as best they could until 4:30 p.m., when the steamer City of Strathcona, which had been sent for, came and took the disappointed passengers up stream back to Edmonton.

kind reader, fill in the rest with your imagination.—Ponoka Herald.

The electric railway from Lacombe to the Blindman Valley will be completed as far as Gull Lake by Dominion Day and the rest of the route just as soon as the grade can be finished. The C.N.R. tracklaying outfit will lay the ties and steel along the whole route in five working days. Building in brick both at Lacombe and at Gull Lake, which latter place expects to become a pleasure resort of some two hundred cottages by fall.

Ottawa, May 24.—The Dominion Hotel here at Wainwright, Alberta, is increasing so rapidly that the government now has no less than 1,500 animals. When the herd was secured a few years ago there were only half that number, and no less than 150 were added by natural increase during the past year alone. This information was given by Hon. Dr. Roche minister of the interior, during the discussion of his estimates.

With banners flying, ten bands playing and the women singing a marching song, several thousand suffragettes paraded the streets of Washington on Saturday. There were 53 of them, representing every state in the union, and assigned one to each senator and representative, presented to the members of congress the petition asking the passage of the Brewster-Mondell resolution calling for a federal constitutional amendment enfranchising women.

Medicine Hat, May 25.—Hon. C. R. Mitchell, provincial treasurer for Alberta, announces that he and Premier Sifton have concluded arrangements with Messrs. Spencer, Trask & Company, of New York, for the sale of provincial bonds. As a result, sufficient bonds have been disposed of to enable the province to pay all outstanding treasury bills, which have been from time to time issued to provide for capital expenditure. The present sale means that the provincial indebtedness is now upon a basis covering a considerable term of years, and it will relieve the province of the necessity of making fresh borrowings until new expenditures have been decided upon and authorized.

Alberta University has accomplished in six years what it took the great university of Toronto two score years to do. According to President Terry's announcement, this child of the prairies has reached the size to which the "variety had grown in 1932. Starting out in 1908 with a student body of forty-eight, and a teaching staff of four it had last year an enrollment of four hundred and fifty, necessitating not less than forty-one instructors. Building operations are now in full swing, so that in the fall of nineteen fifteen the new and commodious arts building will await the entrance of a student body numbering not less than seven hundred and fifty. In the scope and character of its work the progress has been equally startling. The financial stringency has carried the progress of every other institution in the province, but this young giant seems impervious to it.—Alberta News.

A meeting was held in the town hall on Friday evening for the purpose of re-organizing the board of Trade. There was a fair attendance, and on motion, L. G. Crozier was called upon to preside. He, in a few words, explained the aims of the meeting, and called for suggestions. A short discussion showed that those present favored re-organization and the selection of officers was taken up, with the result that L. G. Crozier was elected president, T. J. Durkin, vice-president; Thos. W. Hutchinson, secretary, and an advisory board composed of W. M. Kennedy, R. K. Allen, and W. L. Steele.—Ponoka Herald.

This Sweet Golden Juice

Is Nature's Finest Tonic
—the juice from SUNKIST Oranges.
And Sunkist Oranges never were better than now—never so heavy with juice, never sweeter or more luscious. Highly flavored, tender-meated—oranges probably will never grow any finer.
* Sunkist are tree-ripened, glove-picked, tissue-wrapped, and shipped right from the tree—so are always fresh. What other fruit is so good and good for you?
All dealers now have them, and prices are low.

SUNKIST Oranges SUNKIST Lemons

Try Sunkist Lemons, too, madam. These are practically seedless, the best looking lemons, the richest in juice and in flavor. Use Sunkist Lemon Juice where you have been using vinegar. See what delicious tang it adds.
Beautiful Rogers Silver is obtainable in exchange for the wrappers from both Sunkist Oranges and Lemons. Write for our 40-page Recipe Book showing 110 ways of using both fruits. We'll send our Premium Book too, showing what you can get for wrappers and telling how to go about it.

CAMROSE DEFEATS

WETASKIWIN ROVERS

The first football game of the season was played on the local recreation grounds on Wednesday evening when a team representing Camrose came over for an exhibition game. Unfortunately, it commenced to rain during the evening, and the contest was played in a steady downpour. Owing to the wet ball and slippery grounds, the game was neither fast or scientific, but both the visitors and home boys succeeded in putting up a fairly good combination game.

The Wetaskiwin boys got away to a good start, and after six minutes play, Russell tallied the goal for the Rovers, after a nice run down the field. The Camrose boys then started in to even things up, and succeeded in scoring three minutes later, the ball glancing off Walker's foot thereby changing its course. This was the only scoring in the first half. In the second period, the visitors, aided by the strong wind, scored two more goals, one of them going in off Doupe.

We will not comment on the game further than to state that the visitors appeared to be in better condition to play a strenuous game than the Rovers, which emphasizes the need of steady and consistent practice. The Rovers have the material for a good team, and there is no reason why the score of last night could not be reversed if the boys will attend practice as they should. Capt. Russell would be glad to have all players in the city attend the practice on Monday, Wednesday and Friday nights, and thus give the boys the training they require, and at the same time give the executive an opportunity of picking the strongest team possible on the field.

The following was the line-up:
Camrose—Goal, Young; back, Edwards; right back, Ramsey; right half, T. Pettifer; centre half, Peterson; left half, T. Pettifer; right forward, J. Mathieson; inside, J. L. Garry; centre forward, J. Stewart; side left, F. Sligh; outside, J. McCannish.
Rovers—Goal, Shaw; right back, T. Walker; left back, C. Doupe; right

half, Rawlinson; centre half, Pettifer; left half, J. Campbell; right forward, Parkinson; inside, G. Ward; centre, Clint; inside left, Russell; outside, Ramsey.
Referee, Matthews.

When the attractions of life on a farm are pointed out, one of the things most frequently urged against is the unreasonable length of time that a man in the country has to put in at work. Some people are frightened out by the stories of how a farm hand has to get up at three or four in the morning and is lucky to get through by ten or eleven at night. But the bureau of statistics at Washington has made minute investigations and finds that the average length of time per day required of hired labor on the farms of the United States, during the spring season is 9 hours, 54 mins; during the summer season, 10 hours, 54 minutes; fall season, 9 hours, 52 mins., and winter season, 8 hours 33 minutes.—Edmonton Journal.

Another land mark in the city was removed this week, when the Red Barn on Railway street near was razed to the ground. Geo. Bush will now have an up-to-date livery and feed barn erected on the same site.
